

Here's a great start-up business opportunity!

We are looking for one or more people, ideally living in the Maindee area, to prepare and serve food and drinks for their own profit every Wednesday in Llyfrgell Maindee Library.

It's a great way for you to kick start a new catering business. We are looking for people with enthusiasm to make a go of it. We want to help you succeed.

The market and what we can offer you

In 2019 the library will be hosting two health sessions every Wednesdays that will each attract between 50 and 80 attendees. These sessions will run from 1.00pm to 3pm and from 6pm to 8pm. Around these periods we expect a demand for drinks plus biscuits and cakes. On top of this there are regular Wednesday morning library users coming in to the building between 10am and 12.30pm. It's a ready-made customer base for your new business.

We are now looking for one or more people to:

- provide a fresh food and drinks service in the library every Wednesday.
- be responsible for all aspects of food safety on that day.
- Work within our policy framework.
- Pay us a weekly hire fee or profit share (to be negotiated).

Maindee Unlimited will:

- Provide a commercial on-site kitchen and wash-up.
- Meet building and equipment costs
- Provide you with large number of potential customers on site.
- Support your training, business development and mentoring needs.

Your next steps...

- Contact John Hallam, our Programme Manager (e:mails only to info@maindee.org please) to arrange an informal site meeting to see the facilities, discuss your ideas and ask any questions about expressing interest.
- You will then need to send us a letter or email to express your interest, telling us about yourself and your initial plans – nothing too detailed at this stage.
- We must receive this expression of interest by 5pm on January 8th 2018.
- We will then choose our partner in January with the aim of getting things started in February 2018.
