

Who we are  
a collaboration

Our collaboration allows us to bring together this three-fold approach – playful provocation, physical enabling with an invite to collaborate.

We will then find the sweet spot between for the Maindee Library project.

## *Strategic Approach*

### **Library Lab**

Accelerating and pioneering local entrepreneurship

Evolving enterprise support provision

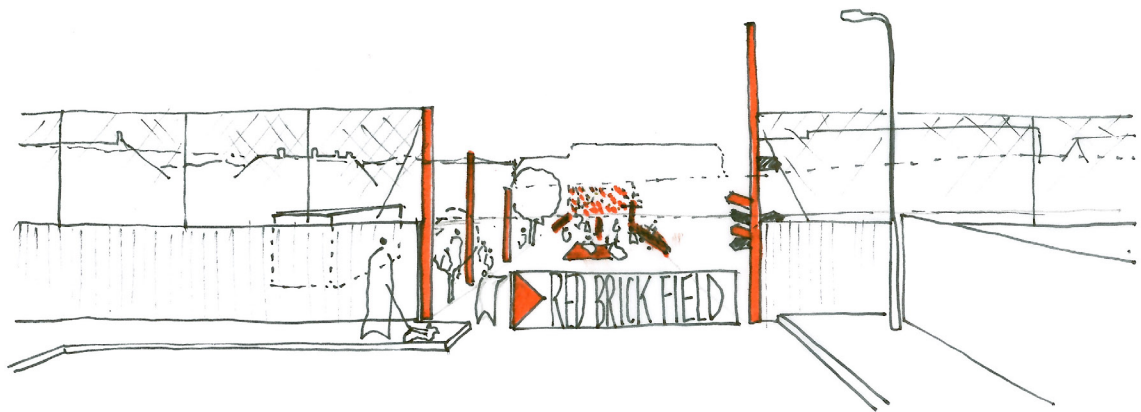

FUNCTIONAL INFRASTRUCTURE

Sarah Hollingworth  
architecture 00

&

George Lovesmith  
integrated workshop

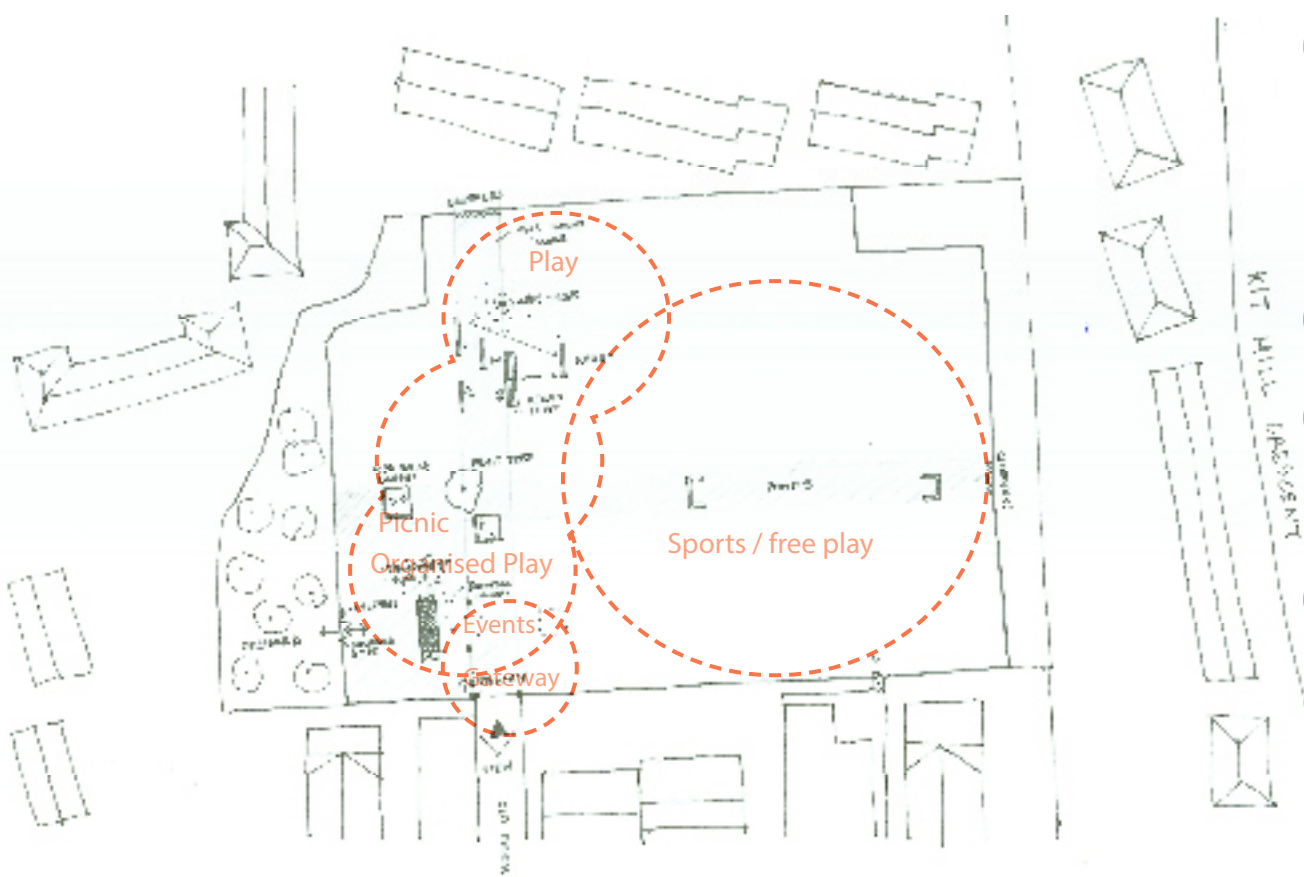

*Maximising Impact*

**Red Brick Field**

Intensify Interventions

Programme v. Non-Plan

FUNCTIONAL INFRASTRUCTURE

Shared Identity - Designs communicate distinct participant led approach.

Design solutions allowed the volunteer builders to develop construction skill, take ownership and adapt

INVITE TO COLLABORATE

**Got an idea to improve the outdoor space around Twinnell & Wills?**

**WE WANT TO HEAR FOM YOU**

**All residents welcome to get in touch - including children!**

**We can help by funding materials & supporting the design and organisation of what's needed.**

**Up to £300 could be available for each idea**

**& MORE if the idea is put forward by a pair or a group.**

**Some of your neighbours are already talking about...**

**'more seating & picnic benches', 'bird tables & feeders',  
'extending the fences to make a larger area for safe play',  
'more colour', 'areas for growing herbs, food or flowers'**

4-7pm Wednesday May 3rd

Come & drop-in to discuss this with us & your neighbours.

You'll find us in the Twinnell Community Room or  
Playing Outside if the weather's nice!

*Beyond Consultation  
to  
Co-Production*

**Playing Out Bristol**

Inviting Participant Initiative

Create (productive) time to chat,  
take time to listen
